PRESSURE VESSELS (INDIA)

Reliable source of Pressure Vessels, Heat Exchangers & Columns ...

INTRODUCTION :

We are a team of experienced and well qualified engineers having excellent track record in the field of design and manufacture of Pressure Vessels, Shell & Tube Type Heat Exchangers and other chemical process equipments.

M/s Pressure Vessels (India) is a partnership firm situated at Pune Industrial Area, around 150 km. from Mumbai City. Pune is well connected to Mumbai by Road & Rail. Proximity to Mumbai makes Pune an ideal choice for export to South East Asia, Middle East Asian countries & Europe.

Pressure Vessels (India) have three fabrication shops admeasuring 24000 sq.ft. area and is equipped with a full-fledged set up for fabrication of pressure vessels , chemical process equipments , Heat Exchangers, Distillation Columns and allied equipments. The company has electrically operated overhead cranes, SAW welding machines with column & Boom, Heavy Rolling Machines and welding rotators and can take up a single job weighing up to 250 Tons and length up to 35 meters.

The Company has executed number of Vessels & Heat Exchangers under reputed consultants like Lloyds Register Asia, Uhde India Ltd., Jacobs H & G, Bax Counsel, Det Norske Veritas, Dalal Consultants & Engineers, FEDO, Acker, ABS, RINA Toyo Engineering India Ltd., Engineers India Ltd., PDIL, SGS, Technimont ICB, Mecon, Bureau Veritas, Quest, TCE, DCL & many others.

MAJOR CERTIFICATIONS

- Pressure Vessels (I) is now ASME 'U' Stamp Company for manufacture of Tanks, Vessels and Shell and Tube type Heat Exchangers as per ASME.
- Pressure Vessels (I) is can supply equipments with CE Marking, complying with PED/97/23.
- Pressure Vessels (I) is an ISO 9001-2008 company, certified by DNV for the manufacture of Tanks, Vessels and Shell and Tube type Heat Exchangers.
- Pressure Vessels (I) is approved by Chief Controller of Explosives, Nagpur, for the manufacture of unfired pressure vessels, complying with SMPV Rules 1985.
- Pressure Vessels (I) is also approved by Indian Boiler Regulation (IBR), Nagpur, for the manufacture of unfired pressure vessels & Heat Exchangers, complying with IBR 1950.

Industries We Serve ...

- Oil & Gas
- Refineries
- Chemical
- Petro-chemical
- Water Treatment
- Defense
- Fertilizers
- Refrigeration

International Standards we follow ...

- ASME
- TEMA
- PED
- API 650
- DIN
- JIS
- IS
- AD Merkblatter

Material of Construction

- Carbon Steel
- Stainless Steel
- Duplex Steel
- Aluminum & Alloys,
- Monel, Inconel,
- Titanium,
- Copper & Copper Alloys
- Brass,
- Nickel & Nickel Alloys
